Night at the Light

about lake erie lights*

Our mission is to operate, preserve, and interpret Erie's historic lighthouses for the public and for future generations.

Since 2014, we restored Presque Isle Lighthouse to its period of significance, acquired an operating lease for the Erie Land Lighthouse, and are seeking to acquire the North Pier Light. We have spent over \$430,000 in this past decade on preservation work at the Presque Isle Lighthouse and \$25,000 at Erie Land Lighthouse - and we're not done!

*Presque Isle Light Station (Lake Erie Lights) is a private 501(c)3 non-profit organization that raises funds specifically for these Lighthouses. We are not affiliated with Presque Isle Partnership and we are a separate entity from Presque Isle State Park.

why sponsor?

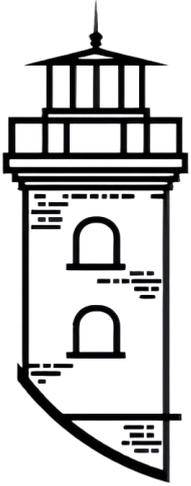

Sponsoring supports everything we do - it helps minimize expenses for educational efforts, covers preservation work, and ensures that our visitors have the best experience at our lighthouses.

Night at the Light

150 attendees
500 raffle entries annually
visitors during july and august alone!
visitors from all 50 states and over 30 countries

- Volunteers spend over 6,850 hours at the Lighthouses on average every year- that's valued at \$229,424!*
- Most visitors come from Pennsylvania (around 6,800) with most hailing from Erie and Allegheny counties
- Presque Isle Lighthouse is located within Presque Isle State Park, Pennsylvania's most visited state park - and sees, on average, 3.5 million visitors annually.

*Independent Sector, 2023

your support allows us to support free visit days and programming for over 400 kids annually.

and, your support goes towards preserving erie's history for the public and for future generations.

We've already completed \$500,000 in renovations and work over the past 5 years - help us raise \$500,000 for the restoration of the North Pier Light!
