About Lake Erie Lights*

Our mission is to operate, preserve, and interpret Erie's historic lighthouses for the public and for future generations.

Since 2014, we have restored Presque Isle Lighthouse to its period of significance, acquired an operating lease for the Erie Land Lighthouse, and are seeking to acquire the North Pier Light. We have spent over \$430,000 in this past decade on preservation work at the Presque Isle Lighthouse and \$25,000 at Erie Land Lighthouse - and we're not done!

*Presque Isle Light Station (Lake Erie Lights) is a private 501(c)3 non-profit organization that raises funds specifically for these Lighthouses. We are not affiliated with Presque Isle Partnership and we are a separate entity from Presque Isle State Park.
