2019 Membership Drive

Presque Isle Light Station

Since 2014, the Presque Isle Light Station not-for-profit corporation has been working to continue the restoration and rehabilitation of the Lighthouse and have it open for the public.

All the monies raised through this year's Membership/Appeal will go directly to a new roof and restoring the brick masonry on the lighthouse living quarters along with the chimneys. With the completion this year of our new Welcome Center we can now concentrate our efforts on the "Keepers quarters" itself. With the brick work completed and the new roof I have no doubt that the look of the Lighthouse will be transformed.

I invite you to PLEASE again participate in this historic effort by renewing your membership, becoming a first time member, or by making a donation, which is tax deductible.

Thank you. See you at the Lighthouse!
